To

Secretary to Government,

SIR,

I am directed to state that only two bicycles have been sanctioned for use in the High Court. It was over twenty years ago that they were given. On account of the increase of work all round and the increase in the number of Judges the need for one more bicycle is urgent. The work of carrying records to the Judges' Bungalows and delivery of urgent letters and communications has become so heavy during recent years that the present two bicycles are found not sufficient for the purpose.

I am therefore to request that the Government may be pleased to sanction the purchase of another bicycle for the use of the High Court and the grant of a cycle allowance of Rupee one a month to one more orderly of the Court ~~and~~ as in the case of the present two cycle orderlies who are getting it. (Vide G.O.No.Fl.3585-6/S.A.176-31-1 dated the 24, 25th November 1931).

The cost of the third bicycle will be met out of the current year's grant under 1. High Court - Contingencies by effecting savings in other directions and the allowance of one Rupee to the third Bicycle Orderly being small can also be met during the current year out of the savings that may be available under Establishment charges.

I have the honour to be,

Sir,

Your most obedient servant,

T. Shamiengar

Registrar.
